## Product description

Enhance acoustic measurements precision with the 1st Class PCE-430 Sound Level Meter, featuring ISO certification. This professional tool boasts a large backlit display, USB data recording, and an Impulse function for short-duration noises. With customizable weightings, a wide measurement range from 22 to 136 dB(A), and a frequency range of 3 Hz to 20 kHz, it's perfect for workplace noise monitoring, regulatory compliance, and assessing noise exposure.
